SLIDE

THE DUTCH WATERSLIDE EXPERIENCE

Interactive gaming

Play the game while sliding !! Games and Competition is what interests the youth, be better and faster than your friends and share your winning moment

The Aqua Smash game contains 8 or 16 touch touch points that change colour , while sliding down you can touch the lighting. The colour in combination with your speed determines the number of points

At the start of the slide a push button will activate the game.

The Aqua Smash touch points can be divided approx 2 - 4
